

Disoriented Me

Patrick Goble

I know the time has come and passed for you and me to be free
We're not the only ones
I know the game is rigged, the dice weighted, my cards in the sea
It's only everyone

Disoriented me

I know the time has come and passed for you and me to be lone
We're not the only ones
I know game is rigged, the dice weighted, I want you to see
It's only everyone
