

The Optimist
Patrick Goble

I know how easy it is to fall from grace
To get out of line, just lose your pace

But remember—

You've gotta keep that smile on your face

Cause nobody cares if your heart bleeds and tears
But you've gotta keep that smile on your face

If you kick the bucket tomorrow, do you think they'd cry?
Hell no, they wouldn't and you wonder why

Cause nobody cares if your heart bleeds and tears
But you've gotta keep that smile on your face

Now most things won't go your way, for no one they do
You can't live your life feeling sad and blue

You've gotta, you've gotta keep that smile on your face

Cause nobody cares if your heart bleeds and tears
But you've gotta keep that smile on your face

Cause nobody cares if your heart bleeds and tears
But you've gotta keep that smile on your face

Cause nobody cares if your heart bleeds and tears
But you've gotta keep that smile on your face
